

On behalf of the Senior Golfers' Society of the Border, it is an honour and a privilege to welcome you to East London.

We present you with two courses, each with their own individual characteristics, spectacular views and challenges.

The East London Golf Club, founded on 20 April 1893, opened with a 12 hole course on 6th July 1893. Now on its third site, procured in 1923, it has consistently ranked among the top 20 courses in the country.

The West Bank Golf Club dates from 1907, initially as a 9 hole shale greens course, evolving in 1929 to the 18 hole grass green course of today. It has unique features of a lighthouse (the Club's emblem) and a cemetery, the natural defence however, being the wind.

Tony Harraway and his team, along with all the management and staff of both courses, have put in a tremendous effort to ensure that the tournament arrangements are in place for a successful and enjoyable week.

The venue for the Cocktail Party and Gala Dinner will be the Glass Tent in the grounds of the East London Golf Club and thus parking and security for vehicles is assured.

The effort you have made to join us is greatly appreciated and I am sure that you will have fond memories of the week.
