Fact: The 2020 Brookwater Women's Champion is Ashleigh Barty - World Tennis Number 1

When Brookwater opened in 2002 there was much fanfare with many visiting golfers quick to draw comparisons with the home of the Masters, Augusta National.

The undulating terrain, creative bunkering and sloping putting surfaces fueled appraisals of the design crafted by Greg Norman and then design chief Bob Harrison – both of whom are devotees of the work of Dr Alister MacKenzie, who created Augusta.

But the truth is this par-72 is an original, just 30 minutes' drive south west of the Brisbane CBD. It boasts an overwhelming Australian feel and even the occasional kangaroo bounding across a fairway. The Norman and Harrison design is one of Australia's most spectacular inland courses and has been well-entrenched in national course rankings for 17 years. Its latest ranking came in January this year when it finished at No.11 on Golf Australia's Top-100 Public Access Course list, an improvement on its two previous standings.

Evening

Enjoy a short walk up Alice Street for dinner with your hosts at the Queensland Club. The Queensland Club is a heritage-listed club house at 19 George Street, Brisbane City. It was designed by Francis Drummond Greville Stanley and built from 1882 to 1888 by J Smith & Sons. It was added to the Queensland Heritage Register on 21 October 1992.

Dress: Jacket and Society tie.

Tuesday 11th October

Hope Island

Today we venture south to the Gold Coast to play the Links at Hope Island. Located on the Gold Coast just 20 minutes from Surfers Paradise and 60 minutes from the Brisbane CBD, Links Hope Island Golf Course is the centrepiece of Hope Island Resort. With its 5-Star facilities and consistent rankings as one of Australia's top ten resort courses, Links Hope Island Golf Course will provide a thrilling end to your Queensland adventure.

Non playing ladies are welcome to join the trip and the coach will take you into Surfers Paradise for shopping and sight seeing while the others are golfing. You will join the golfers after their game for drinks and snacks before returning to your Brisbane hotel.

Evening: Free

Free day

Lone Pine Sanctuary

Today is a day to relax and enjoy one of Brisbane's iconic tourist attractions. Making your way to the Cultural Centre pontoon, by foot (a 20 min walk through the Botanic Gardens. Why not start early and enjoy a leisurely stroll the gardens?) or by cab for a 10:00 AM departure on the cruiser Miramar. The 75 min cruise will take you through some of Brisbane's most exclusive riverside suburbs arriving at the sanctuary at 1115. You will have plenty of time to explore all of the experiences offered by the sanctuary before retiring by coach at 2:15 PM. The afternoon and evening are yours to enjoy.

Royal Queensland Golf Club

Your coach will leave the hotel at around 11.00 am for the 30 min ride to Royal Queensland. Passing the infamous Breakfast Creek hotel the recently completed Kingsford Smith Drive takes you alongside the Brisbane River providing excellent views. You will be joined by Queensland Seniors and their partners and after a light lunch tee off from 1.00 pm. Drinks and light snacks will follow golf and you will be returned to your hotel for a free evening. This might be good night to try out some more of Brisbane's excellent riverside restaurants.

The Royal Queensland Golf Club was founded in 1920 by a group of prominent citizens of Brisbane who obtained a lease of land occupying 420 acres (in today's terms 170 hectares) – since reduced to around 240 acres (97 hectares) – fronting the Brisbane River in an area known as Parker Island.

The original course was designed by Carnegie Clark, the Australian Open Champion of the day, and was opened by the Governor-General Lord Forster in 1921. It is said that he had a handicap of +3.

The services of the eminent Scottish golf architect Dr Alister MacKenzie were later retained during his visit to Australia in 1926. His major focus was greens and bunkers, with the short 8th hole (pre 2007) providing an excellent example of his work and design philosophy.

Construction of the new Championship Course was completed in December 2007 and it is currently rated the 22nd in Australia. The new Royal Queensland layout was designed by Michael Clayton, following the State Government's decision in 2005 to build a second Gateway Bridge over the famous course. Michael Clayton describes the new layout and the philosophy of the design as follows:

There are very few shots on the course where the architecture dictates where the golfer must play. At most of the two and three shot holes the test from the tee is of accurate driving to position as opposed to simple straight hitting.

Royal Queensland is not a course where players will grow bored. The best lines to take from the tees and the best shots to play vary from day to day depending on the wind, the position of the flag, the state of one's game and the state of a match. That is the essence of making the game interesting on more than just a superficial level and Royal Queensland is a course that captures that spirit."

Friday 14th October

Indooroopilly

After a leisurely breakfast you will be picked up from your hotel for the ride to today's golf venue. On arrival you will enjoy a light lunch before teeing off from 1.00pm.

Indooroopilly Golf Club

The club was established in 1926 at St Lucia and later moved to its current location in the secluded Long Pocket area, home to 321 acres of pristine golf course.

Indooroopilly Golf Club delivers a premium, yet traditional golfing experience, with 36 holes of championship golf to challenge and excite, plus clubhouse facilities to match.

Set in a tranquil parkland location bordering the Brisbane River, the Club offers flexible and accessible membership opportunities for players of all ages and abilities in a relaxed and friendly environment just ten minutes from the heart of the city.

Members and their guests can enjoy six different 18 hole course combinations, with our West Course being ranked among the country's top 100 by both Golf Australia and Golf Digest magazines.

Traditional names: Like many other place names in Brisbane, and around Australia, "Indooroopilly" was derived from the name used by the traditional owners the Yugara people and comes from their words "nyindur" meaning leeches and "pilli", meaning gully. Interestingly, it was as early as the 1840's that surveyors and place name gazetteers were instructed to keep traditional names as long as they were pronounceable and melodic

Evening: Farewell drinks with your Queensland hosts will be served after golf at the club. Given your early start the next morning you will be returned to the hotel early in the evening to prepare for the next leg of your trip

All the sand belt courses are celebrated for the rugged beauty and challenge : their bunkering, many from the sketchbook of the itinerant Alister Mackenzie. Metropolitan has many common features to the other benchmark courses. Whereas you marvel at the expanse of sand at Royal Melbourne and the rugged edges of Kingston Heath, many of Metropolitan's bunkers are cut into the greens' edges in the most stunning way. There is simply no better hand finishing of a golf course to be found anywhere else in the world.

Yarra Valley Wine Tour

It's the birthplace of Victorian wine. And despite its 170-year legacy, it's far from old. In fact, it's a hub for innovation and home to some of the most progressive, dynamic winemakers in the world.

Only an hour's drive from the heart of Melbourne, the Yarra Valley is an epicurean adventure for those with a passion for wine, food and breathtaking landscapes. It's an unforgettable experience where craft and country come together to create cool-climate quality of international renown

Over eighty wineries span the Yarra Valley, each of which express the diversity of its terroir, the passion of its producers, a mastery of traditional practices and a rebellious instinct to push the boundaries.

No other region in the world can boast the same consistent quality found in this internationally awarded range of wine varieties, which includes Chardonnay, Pinot Noir, Cabernet Sauvignon and – Australia's best-kept secret – the Yarra Valley Shiraz. And with plenty of emerging varietal wines gaining popularity and prestige, there's something for everyone in the Yarra Valley.

Your coach will pick you up from the RACV at 0900 for a full days tour of the Yarra Valley. Starting with morning tea at one of the valley's wineries your tour will include a gourmet lunch and plenty of opportunity to sample the many wines and wares the valley has to offer. Returning to the city at around 5 pm you will have time to freshen up and explore more of Melbourne's restaurants and nightlife.

Kingston Heath

Enjoy leisurely start to the day at the RACV as today is a long one. You will be picked up at 11.00 and taken to Kingston Heath for a light lunch followed by golf commencing from 1.00 pm. After golf and drinks your coach will take you to the West Brighton where you will join the Victorian Seniors for their annual dinner. You will need to bring evening wear (Jacket and Seniors tie for men) with you and change after golf. Non playing ladies will be picked up from the RACV to join the golfers for after game drinks

This a small, flat property and is oft compared with Merion because of how the course fits so adeptly into a small property, 50 acres in this case. There is a fascinating read [here](#) from Golf Course Architecture about the history and evolution of the course. The work of the last 30 years in taking out trees, exposing the sand and restoring the bunkers has meant that this course really is now one of the very best in the world.

Royal Melbourne is routed over quite hilly terrain - the use of the two rises is one of the things that makes it special. In comparison, there are no hills at Kingston Heath and the ground is pretty flat with just a few undulations. Kingston Heath is sometimes called the best flat course on earth, maybe the Old Course would have a thing or two say about that, but I do get the point! The link below is worth reading to understand better the masterpiece that is Kingston Heath. Today you play the last of 3 of Melbourne's sand belt courses. Each reflects the value of this area to great golf course design and each has its own unique character. You are sure to leave with amazing memories.

Evening

Join Victorian Seniors and their partners for their Annual Dinner at the West Brighton Club.

An after dinner speaker will be sure to entertain all. Your coach will return you to the RACV for a well earned rest

Flinders

This morning your coach will collect you at 10.00 am for the 1.30 hour drive to the Flinders Golf Club. The trip will take you through Melbourne's South Eastern suburbs and down the Mornington Peninsula to Flinders which is located on the Western entrance to Western Port Bay. Flinders is one of the Mornington Peninsula's most charming villages, with an historic streetscape shaded by broad verandahs, excellent eateries, gourmet produce stores, boutique shops, galleries, antique outlets, a famous golf course and coastal walks. This pretty seaside village was first settled in 1854, and is named after the explorer Captain Matthew Flinders. Flinders fronts onto the calm waters of Western Port in the west with a small yacht club and a 250m long pier popular for fishing. Monuments dedicated to George Bass and Matthew Flinders who were the first explorers in the area overlook the pretty sheltered beach and offer spectacular views across Western Port to Phillip Island. On the southern side of West Head, the ocean breaks over the basalt rocks of Mushroom Reef Marine Sanctuary which is home to one of Victoria's best intertidal and sub-tidal rock platform reefs, popular for beach-combing, diving and snorkelling. It borders the Mornington Peninsula National Park that offers a rugged coastline of cliffs and ocean beaches from Flinders to Cape Schanck along its southern frontage onto Bass Strait. To the west of Flinders, just off Boneo Road, is The Blowhole which includes walking tracks along the rocky coastline and over huge basalt boulders.

Non playing ladies will join the coach trip and, after lunch with the golfers, enjoy a guided scenic tour of the area.

Flinders Golf Club

The course is over 100 year old with top playing conditions and modern facilities. Perched high on the cliff tops, views across Western Port Bay to Phillip Island and the rugged Bass Strait coastline provide a stunning panorama. A classic coastal links, the famous cliff top coffin hole is a true golfing highlight. Golfers can often see hang gliders launching off nearby cliffs and riding the ocean thermal uplift. The layout and design of this course is reminiscent of the great links courses of Scotland and Ireland.

Evening

Drinks and snacks will be served after golf and your coach will return you to the RACV for your last night in Melbourne. As your Sydney flight departs at 11.30 am, meaning a 9.30 am departure from the Club for the airport, this might be a night to recover and prepare for your trip to Sydney and your last week in Australia.

Saturday 22nd October

The aboriginal meaning of Kirribilli is "Good fishing Spot". Kirribilli House, the secondary official residence of the Prime Minister of Australia is located 500 metres around the point from RSY. Elanora Country Club is a private member's Club in the Northern Beaches of Sydney. The beautiful bushland setting makes for the ideal place for member's and their guests to relax and enjoy all the facilities the Club has to offer, including one of Sydney's best golf courses, multiple dining options from casual lunch through to fine dining, along with an active Bridge, Bowls and Tennis programme. An excellent video of the club can be found at <https://www.elanoracc.com.au/cms/>

Following lunch for all in the dining room, the non golfers will be taken by coach for a tour of the Palm Beach and Pittwater area. Golfers will join members of the NSW Seniors, teeing off from 1.00 pm. After golf the touring ladies will rejoin you for drinks and snacks. Given the longish trip back to the hotel, tonight might be one for recovery. Of course, for those so inclined there are plenty of excellent dining options close to the hotel.

Palm Beach

There's a reason that Palm Beach doubles up as the setting for Summer Bay, the fictional beach in TV show Home & Away, the golden sand and sparkling blue sea make it look too good to be true. But there's more than just sea and sand here, explore Barrenjoey Head, Sydney's northernmost seaside point and lots more.

What makes Palm Beach, a narrow peninsular, so spectacular is its unbeatable location. It won nature's lottery and is surrounded by water on three sides: [Pittwater](#) to the west, the Pacific Ocean to the east, and Broken Bay to the north at the mouth of the [Hawkesbury River](#), which meanders inland to historic [Windsor](#).

Concord Golf Club

After enjoying your breakfast at the Radisson, and perhaps a walk around the area, your coach will collect golfers at around 11 am for the 30 min trip to Concord. There you will be met by NSW Seniors, enjoy a light lunch and tee off from around 1 pm. Drinks and snacks will be served after golf before you are returned to your hotel in time for dinner in the city.

Founded in 1899, Concord Golf Club is one of Australia's oldest and most prestigious clubs. Members first played on a 9-hole then a 14-hole course – the last four were played twice to make 18. By 1907, the present 18-hole course had been created and this was restructured in 1916 by Dan Soutar after more land was acquired.

Fast forward some eighty years until 1996 when course architect Ross Watson was appointed to oversee the refurbishment of all tees, fairways, greens and bunkers – quite an overhaul of the course which saw it ready to face the modern day game in the new millennium.

Located near the Olympic site at Homebush, the course has hosted a number of professional tournaments, such as the Australian PGA, New South Wales Open, ANZ Championship and the 2004 Australian Ladies Open, won by Laura Davies.

Determined to cement Concord's position in the upper echelons of the Australian Top 100, the club persuaded Tom Doak to completely renovate the course. Work started in September 2017 and in October 2018 the refashioned layout opened for the members.

The Australian Golf Club

An early pick up for golfers today as our tee times at the Australian start from 8.00 am. Breakfast is available in the hotel from 6.00 am and the extra effort of the early start is well worthwhile to play this magnificent course.

The Australian Golf Club is a private Member's Club located 6km from the heart of the Sydney CBD. Inaugurated in 1882 it is the oldest club in existence in the Commonwealth. It moved to its current location in Kensington in 1903 and Dr Alister MacKenzie was commissioned to update the Australian layout. With financing from the late Kerry Packer, Jack Nicklaus completely redesigned the course in 1976 to what is now the current championship livery. It has since hosted the Australian Open in 2014, 2015, 2017 and 2019. The Club is scheduled to host the 2023 Australian Open tournament.

Following golf you will enjoy lunch in the clubhouse and then return to the CBD for a free afternoon. Alternative arrangements will be made for non-playing ladies.

Evening: Free

Manly Golf Club

Today will be your last game in Australia and what better place to end than at the Manly Golf Club. Your bus will collect you at 11.00 am and take you via the Spit Bridge to the club for a light lunch prior to golf. As tonight's farewell dinner will be at the club you will need to bring evening attire (Jacket and Seniors' tie for men) with you on the bus. Non-playing ladies will be escorted to Circular Quay later in the afternoon to catch the Manly Ferry and to arrive by cab in time to join the golfers after game drinks prior to the dinner.

Founded in 1903 and celebrating their Centenary in 2003, Manly Golf Club is one of Sydney's original foundation clubs, boasting a rich golf history, steeped in tradition. In a stunning location just a few blocks from Manly's famous and iconic beaches, Manly Golf Club is a jewel in the crown of Sydney's north shore. The manicured fairways have hosted Championships featuring many of golf's immortals – in the 1971 NSW Open Jack Nicklaus laid claim to the course record with a brilliant round of 62, and in 1978 Greg Norman fired a fine 64.

The one that got away! Unfortunately, RSGC will be in the middle of their Championships at the time of your visit. Perhaps this picture will inspire you to return again some time when the Australian Seniors will be delighted to welcome you and any of your fellow South African Seniors. If you are visiting on an individual basis take a look at the SGSA website sgsa.online, where you will find access to current fixtures and contacts in all of the States and the ACT.

From all of the members of the Senior Golfers' Association of Australia and our partners.
