

International Tours- Selection of participants.

The following procedures are followed when selecting participants for an outgoing tour.

1. Once the dates and destination have been finalised by the host country, SGUSA will, through its nine societies, extend an invitation, to all active members interested in participating in the tour, to submit their names to SGUSA through their respective Societies. Each Society will be required to recommend each application.
2. Selection of participants for the outgoing tour will be done by Mancom and their decision will be final
3. SGUSA will notify each Society and each successful applicant of his acceptance and inclusion in the tour and shall select a captain for the tour.
4. The basis for the selection of a member for an outgoing tour is based on the following criteria.
 - Length of Membership of Seniors.
 - The number of National Tournaments in which the applicant has participated.
 - Preference will be given to applicants who have not participated in any previous outgoing tours.
 - Consideration is also given to the number of applications received from each Society.
 - Cognisance will be taken of general service to golf.
